## MARCH UPDATE

We certainly have an academy of champions here at Gracie Barra Headquarters. February's CompNet and Pan Am Kids went spectacular! Of the nine competitors at Pan Am Kids we had seven who took home medals, four of which were gold! We were absolutely astounded! We had nineteen competitors at GB CompNet's spring opener, sixteen of our competitors took home medals. It's no coincidence, the hard work and extra hours these kids put in really paid off.
